RE: Clayton County Board of Education Redistricting Plan

Madame Representative:

This letter is in response to your letter dated February 13, 2012 (attached). You requested a copy of the proposed Redistricting Plan, information about the type of Plan, information regarding the demographics for any proposed changes, and copies of the maps delineating the current or proposed districts.

The Clayton County Board of Education Redistricting Plan is titled "claytonsb import-01202012" and is a local plan. The Redistricting Plan itself is reflected in the minutes of the January 30, 2012 Work Session of the Clayton County Board of Education. These minutes are enclosed.

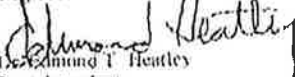

The minutes also demonstrate that the Redistricting Plan was approved by a majority of the Clayton County Board of Education. Thus, the District is not aware of any obligation to have each Board member sign the Resolution approving the Clayton County Board of Education Redistricting Plan.

Finally, enclosed is a copy of the Summary of Statistics, which shows the existing demographics as well as the demographics with the proposed changes, and a copy of the proposed Redistricting Map, which delineates the proposed districts.

We have submitted the proposed Redistricting Map to Brian Knight, Map Specialist, Legislative and Congressional Reapportionment Office, and we have been told that the proposed Redistricting Map has technical approval.

We trust the above information will assist the Delegation in their review and appreciate your consideration of the proposed Redistricting Plan. If we can be of further assistance, please call my assistant, Gail Davis, at 770-473-2712 or me.

Regards,

  
Edmond T. Heatley  
Superintendent
